

PLAINTIFF/PETITIONER: Castle Green	CASE NUMBER:
DEFENDANT/RESPONDENT: Leif Strand	18PDR001374

DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

I, Jim Marrin, do hereby declare:

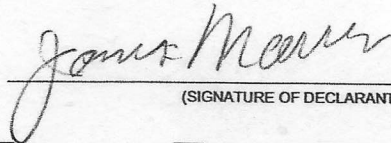

1. I am an owner and full time resident of Castle Green for many years and a neighbor of Leif Strand. I make this Declaration in opposition to the Castle Green's Petition for Workplace Violence Restraining Orders against Leif Strand. I have personal knowledge of the facts set forth in the Petition and if called as a witness, I could and would testify competently to these facts.
2. On September 19, 2018, I was in attendance at the Castle Green Board of Governors meeting. I witnessed the disagreeable testimony of Leif Strand when he addressed the Board that night. I was not in fear for my life or safety during that meeting.
3. I have never been in fear of my life or safety by any actions or words from Leif Strand in the entire time that I have known him.
4. After having read the declarations of Randy Banks, Jan Cady and Constantine Evans, I can tell you that each of them had a personal axe to grind with Leif Strand and are taking this one unfortunate outburst at this one meeting to build a case for keeping him from participating in the governance of the building.
5. The Castle Green building is a condo complex with an association (HOA) but it was originally designed as a hotel. The rooms are small and the common areas make it hard to avoid other residents, especially someone living on the same floor. I believe, based on the mischaracterizations in the Declarations of Randy Banks, Jan Cady and Constantine Evans, that this Petition is sought to create an instrument to entrap Leif Strand should he come within 100 yards of any of the protected persons listed during the next 3 years and bar his ability to participate as a member of the HOA and to silence any opposition he may have to their decisions.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
